OBJECTIVES

- To ensure equity and equal opportunity to the community at large in the college and to bring about social inclusions.
- To guide the socially-economically weaker students to avail of all permissible scholarships, financial assistance and guidance for career development.
- To help individuals or a group of students belonging to the disadvantaged section of society for solving the problems related to discrimination.
- To provide equal access to resources for the differently-abled and to create an empowering environment for them to get support in terms of infrastructure and academics. Also, to pay more attention to their special needs and provide them more encouragement and support by conducting special classes after college hours.
