# PARADIGM SHIFT IN TEACHING PEDAGOGY DUE TO COVID-19

21<sup>st</sup> June'2021 to 28<sup>th</sup> June' 2021

*Organized by*

**Lyallpur Khalsa College  
Technical Campus, Jalandhar**

## About School of Engineering //

School of Engineering got established in 2013 under the aegis of Khalsa College Lyallpur Education Charitable Trust. The Institute is located in the heart of city on a prime piece of land. It was established with an aim to impart engineering education to the students to make them competent, motivated engineers and scientists. The institute as a first step will provide the education in the field of Computer Science & Engineering, Mechanical Engineering, Civil Engineering and Electronics & Communication Engineering disciplines, the most sought after disciplines at present due to the huge potential for the industry absorbing the good students in these fields and very rapid investments taking place in the region.

## About School of Management, IT and Hotel Management //

For the past 100 years Khalsa College Lyallpur Educational Charitable Trust has successfully created a position for itself as a leader in education due to its unwavering commitment towards imparting quality knowledge. School of Management, IT and HM echoes the vision of our founders who believed that the best way of surviving change is to initiate it. Our Institute strives to develop leaders keeping in view the expectations of the present day business world. The managerial and leadership abilities of its students are developed through well designed courses which are taught by our distinguished and experienced faculty.

## AIM OF THE FDP //

Sudden transition to online teaching pedagogy due to COVID-19 has posed many challenges, as well as benefits for the education sector. The pandemic has led to the near-total closures of schools, universities, and colleges. The education sector needs to adapt fast so as to keep students motivated in their journey to learning. The FDP aimed at addressing the unprecedented challenges faced by educational systems worldwide due to the COVID-19 pandemic. The motivation towards organizing this FDP was focused mainly on finding solutions to these challenges.

## FDP Objectives //

- To promote the generation of e-Content for all the subjects amongst faculty and research scholars.
- To understand the process of planning, designing, and implementation of online courses.
- To train the faculty and research scholars for the creation and delivery of e-content for formal and non-formal education with practical orientations.

## Who can attend this FDP ? //

The maximum benefit of attending this FDP shall be to researchers, academicians management consultants, corporate professionals, corporate trainers, government officials, representatives of think tanks, social service organizations, entrepreneurs, doctoral and master's students.
